CLASSES

This four week course is unique in that it is geared toward the interest of the individual student. The classes are mixed level with the advanced students working on their own personal projects, such as portfolio preparation for entrance into school, fine art exhibition and commercial books. Beginning students will be given assignments. This class also includes instruction on shooting, printing, technical and conceptual aspects of photography. All students will receive additional readings and handouts as part of the course.

CLASSES HELD THROUGHOUT THE YEAR

WORKSHOPS

A strong portfolio is essential for students planning to pursue a career in photography and art. Students working on portfolios for entrance into college will receive counseling on artwork presentation. Preparation for group and solo shows and working as a commercial photographer will be covered as well in the workshops.

PRIVATES

Studying one-on-one with the instructor provides the student with the opportunity to develop the skills needed to create a portfolio as well as learn to write and speak clearly about his or her work. This is an integral and essential part of the portfolio preparation and application process.

In Person – Students will bring the following materials to the lesson: images for portfolio, computer (laptop or iPad for viewing digital images), note taking materials, artist statement, resume, bio and application requirements for each college they are applying to.

Online – Student will send their portfolio (20 images), artist statement, resume, bio and any applications for admittance into college via email to instructor.

PRIVATE LESSONS ARE AVAILABLE YEAR ROUND.
PLEASE CONTACT INSTRUCTOR TO SCHEDULE.
